

Lender Update

May 9, 2019

Subject: Genworth Canada Policies and Standards Guidelines

Genworth Canada is pleased to introduce Genworth's Policies and Standards ("GPS") guidelines. The guidelines take effect on Monday, August 12, to provide a 90-day implementation period for our Lenders. On August 12, the GPS and all product sheets will be posted on Genworth.ca and housed in the Lender section. As part of Genworth Canada's on-going efforts to provide clear and transparent communications on policy changes, all future changes will be provided via Lender Updates and will include a link to the site.

A summary of the policy changes included in the GPS are also attached for your reference. If you have any questions or concerns related to this update, please feel free to contact your appropriate Genworth representative below.
