

**Subject: Homeowners Impacted by Wildfires in British Columbia**

Our thoughts and concerns are with the people of Lytton, BC who have been affected by the damaging wildfires last week.

At Sagen, we recognize the impact that this devastation has had on the community. That’s why we’re proactively working with our lenders to help insured homeowners who are facing any setbacks that may be temporarily impacting their ability to meet their mortgage obligations.

Through our Homeowner Assistance Program, we are allowing lenders to offer up to six (6) months of relief to their Sagen-insured borrowers in British Columbia beginning July 6, 2021. This collaboration will provide time to help borrowers rebuild their lives and their communities.

Requests received after January 6, 2022 due to the fires will be considered under our regular Homeowner Assistance Program. To speak with one of our Homeowner Assistance Specialists, contact our hotline at 1.844.711.4627 or reach out to us at [homeassist@sagen.ca](mailto:homeassist@sagen.ca).
