How do I get started?

MySagen is an email-based identification that you'll need to sign up for to create a new account.

1. To create a new account, **connect with your Sagen support or business contact.**

2. Sagen support will create **your account** and send you a **confirmation email** for your approval.

3. You'll receive another link **by email** that prompts you to login and **change your password.**

It's as easy as that to begin to use MySagen.
